Hello travelers!

We believe art and travel are the most vivid ways of learning and enriching. Journeys by Chance is a unique travel company who thrives for the transformational power of travel. The pleasure of sharing a remarkable journey lingers through the years as you and your family cherish the fun, the inspiration and camaraderie of spending time together.

TY Padgett 5 years old

We are overwhelmed by the enthusiasm of families all over Hong Kong to participate in our inaugural Young Artist Art of Travel Awards. More than 800 families shared the same vision and excitement of art & travel with us. Our talented young artists vividly expressed the heartfelt pleasure of discovery and adventure on their canvases. This celebration calendar is a collection of our best entries. We hope this joyful gift will remind you to celebrate art and travel every day!
